Please purchase a wooden, natural-colored ukulele (no blue or pink toy ones). Please be in touch with the office if your student is participating since there is a limited number for this class.

Picking Up Students Early

Per our School Handbook, students may not be picked up within 30 minutes of dismissal unless previously arranged with the office. Picking up a student early for the convenience of the parent is not allowed.

Solar Eclipse—School Out at 1 p.m. on Monday, August 21

Due to the solar eclipse on Monday, August 21, school will let out early at 1 p.m. to give parents a chance to avoid the traffic before the start of the partial eclipse in Atlanta.

Secondhand Uniforms

There are secondhand uniforms that are available to \$2 apiece. If you are in need of extra shirts, pants, skirts, or hoodies, feel free to check the selection at the school and pay in the office.

Carpool

Please remember that carpool is meant to allow parents to drop off and pick up their students quickly. It is also a fire lane, so cars are not allowed to be parked in the carpool line. If you need to talk to a teacher or help your student get to class, please park in the parking lot and come in so as to not block vehicles behind you.

Jewelry

Per our School Handbook, no jewelry may be worn during school. Your child may use the clear, plastic earrings to keep the hole open.

Pizza Fridays—8th Grade Fundraiser

\$2.00—1 slice

\$5.25—Meal (1 slice, veggies, cookie, drink)

\$6.25—Meal + 1 (2 slices, veggies, cookies, drink)

You may send your money for pizza each Friday or pay for the month or year in advance.

Asbestos Notification

Atlanta North School was built in 1990. The school and church buildings are free from all forms of asbestos and are in compliance with regulatory guidelines.
